DRIVING ECONOMIC RECOVERY: Scaling Digital Education Experiences in Higher Education Institutions

Dear Esteemed Colleagues,

We are honored to extend an invitation to you for the international conference **"DRIVING ECONOMIC RECOVERY: Scaling Digital Education Experiences in Higher Education Institutions"**, which is scheduled to take place on **September 19-20, 2024**, at the **National Technical University of Ukraine "Igor Sikorsky Kyiv Polytechnic Institute"**. This conference is dedicated to an in-depth exploration of the pressing issues surrounding the evolution of digital education in the face of contemporary challenges and its pivotal role in economic revitalization.

The primary themes of the conference include:

1. Empowering She-Tech: Advancing Female Digital Literacy in the Labor Market
2. Synergy of University Collaboration for Ukraine's Economic Recovery
3. Enhancing Pedagogical Tools for Teaching IT Discipline
4. Exploring the Social Impact of Migration in the Context of Sustainable Development in the EU and Ukraine

The event will be conducted in a blended format: **both online and offline** participation.

The official languages of the conference are **English and Ukrainian**.

We kindly ask you to **register** for the conference using the **following link**:

<http://surl.li/cmhinq>

We are confident that this conference will provide a distinguished platform for the exchange of experiences and innovative ideas, thereby fostering the advancement of digital education and supporting the economic recovery of Ukraine, as well as promoting the sustainable development of partner states.

We look forward with great anticipation
to welcoming you to Kyiv.

With highest regards,

Anatolii Melnychenko,

Project Coordinator for IFU from Ukraine

Co-funded by the
European Union
